**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

STOP this stupidity NOW!!!!

Do not allow large carriers such as Verizon or AT&T use their size to remove their competitors by rewriting reality! As one of people they are stating do not exist I want you know I DO EXIST!!!!  
As a retiree with little access to world at large assenting to their request would shrink my day to day life even more. As a governmental organization you must ensure the people are not left to whims of large corporations who only look at their bottom lines. An example of that has already been shown by PG&Es handling of the Northern California wildfires and their lack of doing what they should.

Thank you.
